## EMRAM SIMWARS

October 13, 2021

## EMRAM SIMWARS October 13, 2021

Residents statewide will participate in a full day of EMRAM activities.

SIMWars is an interactive simulation competition that allows teams of four medical providers to compete against other programs on simulated patient encounters.

An expert panel will judge each team's performance in areas such as teamwork, communication, and leadership as well as medical management of the "patient".

If interested, please e-mail [madeyv@mcep.org](mailto:madeyv@mcep.org). Further information is also available at [www.mcep.org](http://www.mcep.org). Entries are due by September 10, 2021. Once the teams selected, we will send out the "Rules of Engagement" prior to the event so you can be prepared for what to expect.
