

Emergency Medicine Residents' Association of Michigan

2022 Sponsorship Events

All EMRAM Programs are completely dependent upon the generous contributions of our sponsors. Without sponsorship these programs could not happen. Any monies collected over and above the expense of the programs allow us to provide Resident scholarships to the ACEP Leadership & Advocacy Conference held annually in Washington, DC.

In-Training Review Course

February 11-12, 2022

Somerset Inn

Troy, MI

ITE Review Course:

The EMRAM **In-Training Review Course** began in 2004 as an annual preparatory course designed for residents to review core topics in Emergency Medicine prior to the in-service exam. The course has been designed as a three-part series....residents are encouraged to attend each of the three years in order to take full advantage of this unique and outstanding opportunity.

The format is designed to address scenario-based questions similar to the in-service and board format of “the next most appropriate action” type question. Speakers are selected for their areas of expertise and teaching ability. Featured speakers represent several residency programs throughout the state. **Attendance has exceeded 250 residents** in the past representing emergency medicine residency programs across the State of Michigan.

Annual feedback for this review course has been outstanding. Both Allopathic and Osteopathic residents will benefit from attending this review.
