

Emergency Medicine Residents' Association of Michigan

2025 Sponsorship Events

All EMRAM Programs are completely dependent upon the generous contributions of our sponsors. Without sponsorship these programs could not happen. Any monies collected over and above the expense of the programs allow us to provide Resident scholarships to the ACEP Leadership & Advocacy Conference held annually in Washington, DC.

SIMWARS

May 14, 2025

**WMU, Homer Stryker, MD School of Medicine –
UpJohn Campus
Kalamazoo, MI**

Residents statewide will participate in a full day of EMRAM activities. The day will begin with **SimWars**, which is an interactive simulation competition that allows teams of four residents to compete against other residency programs on simulated patient encounters. An expert panel will judge each team's performance in areas such as teamwork, communication, and leadership as well as medical management of the "patient".
